Committee chairs must submit a quarterly report each quarter for publication in the Pinscher Press. The current deadlines are: April 10, July 10, October 10 and January 10. If no committee action has occurred during a quarter that should also be reported. The yearly report required for the annual membership meeting will count as one of the quarterly reports.

By the authority of the GPCA Constitution/Bylaws, any committee member who does not follow these guidelines may be terminated by a majority vote of the full membership of the Board upon written notice to the appointee; and the Board may appoint a successor for the person whose service has been terminated.
